OUR SOLUTIONS

We combine deep industry and supply chain expertise, optimally blending digital, process, technology and operations to empower customers with supply chains that are smarter, resilient and responsible.

ROADMAP AND FRAMEWORK

We assess your landscape, learn your supply chain transformation objectives, and develop an SAP IBP adoption strategy and transition roadmap for your people, processes and technology.

DESIGN AND BUILD

We do the heavy lifting – spanning system configuration, development and deployment – and use rapid prototyping to build a customer-specific scenario using your data to help you validate your key processes.

IMPLEMENT AND CONNECT

We leverage our extensive expertise and proprietary tools and accelerators – including preconfigured scenarios, documents and training materials – to drive high user adoption and accelerate your time to value.

STUDIO CAPABILITIES

Consulting-driven approach integrates end-to-end services, technology accelerators and best practices.

SAP SOLUTIONS

No one has a better track record with SAP platforms than Bristlecone. As a preferred SAP partner, we can position you to thrive on change with SAP S/4HANA, IBP and Ariba.

ANALYTICS & AI

Put your data to work by leveraging AI-powered analytics to gain unprecedented visibility, unlock valuable insights and enable intelligent data-driven decision-making.

MODERN ENGINEERING

Looking to build, optimize or maintain your systems? Tap into our expertise and enablers to transition to the cloud, enhance CX, and roll out new security and operations processes.
