### OUR SOLUTIONS

We combine deep industry and supply chain expertise, optimally blending digital, process, technology and operations to empower customers with supply chains that are smarter, resilient and responsible.

#### ROADMAP AND FRAMEWORK

We assess your landscape, learn your supply chain transformation objectives, and develop an SAP S/4HANA adoption strategy and transition roadmap for your people, processes and technology.

#### DESIGN AND BUILD

We do the heavy lifting – spanning system configuration, development and deployment – and use rapid prototyping to build a customer-specific scenario using your data to help you validate your key processes.

#### IMPLEMENT AND CONNECT

We leverage our extensive expertise and proprietary tools and accelerators – including preconfigured scenarios, documents and training materials – to drive high user adoption and accelerate your time to value.

# STUDIO CAPABILITIES
